The following **Condition** is deleted and replaced with the following:

5. Loss Settlement

- a. We will pay you the amount you spend to repair or replace your Covered Property damaged by an "Equipment Breakdown". Our payment will be the lesser of:
 - (1) The cost at the time of the "Equipment Breakdown" to repair the damaged Covered Property;
 - (2) The cost at the time of the "Equipment Breakdown" to replace the Covered Property with property of like kind, capacity, size and quality; or
 - (3) The amount you actually spend that is necessary to repair or replace the damaged property.
- b. As respects your Covered Property, if the cost of repairing or replacing only a part of the Covered Property is greater than:
 - (1) The cost of repairing the Covered Property; or
 - (2) The cost of replacing the entire Covered Property on the same site.We will pay the lesser amount.
The repair parts or replacement Covered Property must be:
 - (1) Of like kind, capacity, size and quality; and
 - (2) Used for the same purpose.

The following **Conditions** are added:

26. "Equipment Breakdown"

"Equipment Breakdown" coverage does not extend beyond the Described Location.

27. Environmental, Safety and Efficiency Improvements

If Covered Property requires replacement due to an "Equipment Breakdown", we will pay your additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, we will not pay more than 125% of what the cost would have been to repair or replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which Actual Cash Value applies.

28. Green Environmental and Efficiency Improvements

If Covered Property requires repair or replacement due to an "Equipment Breakdown", we will pay;

- a. The lesser of the reasonable and necessary additional cost incurred by the Insured to repair or replace physically damaged Covered Property with equipment of like kind and quality which qualifies as "Green". "Like kind and quality" includes similar size and capacity.
- b. The additional reasonable and necessary fees incurred by the Insured for an accredited professional certified by a "Green Authority" to participate in the repair or replacement of physically damaged Covered Property as "Green".
- c. The additional reasonable and necessary cost incurred by the Insured for certification or recertification of the repaired or replaced Covered Property as "Green".
- d. The additional reasonable and necessary cost incurred by the Insured for "Green" in the removal, disposal or recycling of damaged Covered Property.
- e. The Additional Living Expense (if covered within the Policy to which this Equipment Breakdown Enhancement Endorsement is attached) loss during the additional time required for repair or replacement of Covered Property, consistent with "Green", in the coverages above.

We will not pay more than a maximum limit of \$3,000 of what the cost would have been to repair or replace with equipment of like kind and quality inclusive of fees, costs, and any loss of use loss incurred as stated above.

Green Environmental and Efficiency Improvements does not cover any of the following:

- a. Any loss covered under any other section of this policy.
- b. Any cost incurred due to any law or ordinance with which the Insured was legally obligated to comply prior to the time of the "Equipment Breakdown".

These **Conditions** will be part of, and not an addition to, the limit of liability per loss or any other sub-limits of this Policy.
